LDC LOCKS

Electric Lock

Electric Strike

AL-130NO/NC

* Standard, concealed installation
* Power-off to lock(NO) Power-on to lock(NC
* Working Voltage: DC12V input
* Working Current: 240mA(NO) 120mA(NC)
* Holding Force: 250kg
* Weight: 0.37kg
* Lock jaw size: 29×17×11mm
* Lock body size: 150×28×35mm
* Suitable for: Wooden door
* Fail Secure/Fail Safe

AL-131NO/NC

* Wide-mouthed, concealed installation
* Power-off to lock(NO) Power-on to lock(NC)
* Working VoltageDC12V input
* Working Current240mA(NO) 120mA(NC)
* Holding Force: 400kg
* Weight 0.38kg
* Lock jaw size 45×17×11mm
* Lock body size 150×28×35mm
* Suitable for: Metallic door
* Fail Secure/Fail Safe

AL-132NO/NC

* Special, wide-mouthed, concealed installation
* Power-off to lock(NO) Power-on to lock(NC)
* Working Voltage: DC12V input
* Working Current: 240mA(NO) 120mA(NC)
* Holding Force: 400kg
* Weight: 0.41kg
* Lock jaw size: 45×17×13mm
* Lock body size: 240×25×35mm
* Suitable for: Metallic door
* Fail Secure / Fail Safe

AL-133NC

* concealed installation Power-on to lock
* Working Voltage: DC12V input
* Working Current: 240mA(NO) 120mA(NC)
* Holding Force: 250kg Weight: 0.37kg
* Lock jaw size: 29×13×11mm
* Lock body size: 150×28×35mm
* Suitable for: Metallic door
* Fail Safe

AL-100

* Concealed installation
* Power-on to lock, Door status signal NC output
* Working Voltage: DC12V input
* Working Current: 350mA
* Holding Force: 1000kg
* Weight: 0.72kg
* Size: 200×35×38mm

AL-300

* Concealed installation
* Power-on to lock, lock status LED display,
   Door status signal NC output
* Working Voltage: DC12V input
* Working Current: 350mA
* Holding Force: 1000kg
* Weight: 0.77kg
* Size: 200×35×38mm

AL-100PF

* Electric bolt bracket in frameless glass door
* For installation of the drop bolt
* 8 -12mm thick frameless glass doors

AL-200PZ

* Electric bolt bracket in frameless glass door
* For installation of lock
* 8 -12mm thick frameless glass doors

Electromagnetic Lock

AL-180M

* Power-on to lock
* Holding Force: 150kg
* Working Voltage: DC12V/24V input
* Weight: 1.02kg
* Size: 198×21×35mm

AL-180

* Power-on to lock Working
* Voltage: DC12V/24V input
* Holding Force: 150kg
* Weight: 1.07kg
* Size: 166×21×41mm

AL-180D

* Power-on to lock Working
* Voltage: DC12V/24V input
* Holding Force: 2×150kg
* Weight: 2.15kg
* Size: 332×21×41mm

AL-280(LED)

* Power-on to lock
* Holding Force: 270kg
* Working Voltage: DC12V/24V input
* Weight: 1.97kg
* Size: 253×25×48mm

AL-280D(LED)

* Power-on to lock
* Holding Force: 2×270kg
* Working Voltage: DC12V/24V input
* Weight: 3.90kg
* Size: 506×25×48mm

AL-350(LED)

* Power-on to lock
* Holding Force: 300kg
* Working Voltage: DC12V/24V input
* Weight: 2.46kg
* Size: 253×28×55mm

AL-350D(LED)

* Power-on to lock
* Holding Force: 2×300kg
* Working Voltage: DC12V/24V input
* Weight: 4.92kg
* Size: 506×28×55mm

AL-500(LED)

* Power-on to lock
* Holding Force: 500kg
* Working Voltage: DC12V/24V input
* Weight: 4.48kg
* Size: 280×38×70mm

AL-500D(LED)

* Power-on to lock
* Holding Force: 2×500kg
* Working Voltage: DC12V/24V input
* Weight: 8.96kg
* Size: 560×38×70mm

Electric Cabinet Lock

AL-400

* Electric lock for storage box
* Power Supply: DC 12V 0.6A
* Dimension:
54.5mm×41mm×28mm

Brackets for electromagnetic locks

AL-180/280/350PL

- L bracket for AL180/280(LED)/350(LED)
- To install the lock body

AL-500PL

- L bracket for AL-500(LED)
- To install the lock body

AL-180/280/350DPL

* L bracket for AL180D/280D(LED)/350D(LED)
* To install the lock body

AL-500DPL

* L bracket for AL-500D(LED)
* To install the lock body

AL-350PU

* U bracket for AL-350/350D
* To intall the iron plate on the glass door
  (the lock body install on the frame door)

AL-180/280PU

* U bracket for AL180/280/180D/280D
* To intall the iron plate on the glass door
  (the lock body install on the frame door)

AL-500PU

* U bracket for AL-500/500D
* To intall the iron plate on the glass door
  (the lock body install on the frame door)

AL-500PZ

* Z bracket for AL-500(LED)/AL-500D(LED)
* To install the iron plate

AL-180PZ

* Z bracket for AL-180
* To install the iron plate

AL-280/350PZ

* Z bracket for AL-280(LED)/AL-280D(LED)/ AL-350(LED)/AL-280D(LED)
* To install the iron plate
